Please contact the National Office - admin@homeopathyoz.org - to hire any of these recordings. You will be sent an invoice and, after payment has been received, you will receive the link to the recording and information on how to access the hand-outs.

For CPD purposes, you can claim 2 points for each 2-hour recording session.

For the webinars conducted from 2015 onwards, you can do a quiz per webinar session, which is provided online. Once you have passed the quiz successfully you can download your own CPD certificate for this session.

For earlier webinars, you will need to prepare a learning summary for each session. You can then claim the points directly when renewing your AROH registration, using the following activity number: **3. Private Study - Multimedia: Private use of CD - ROM, audio/video, internet resources or distance learning for professional development.**

You will need to keep the learning summary on file so that you can supply it to AROH if required to do so or in case of an audit. However, do not send it to AROH unless requested to do so.
